Issue

FOREWORD

This year many problems face the wearers of the maroon and white caps with the gold tassels. However, with the foundation which they have secured here at Mansfield Senior High School we feel they will handle each and every difficulty thoughtfully and wisely. To those who leave the halls of our school, as well as to those who remain, the Manhigan staff of 1951 has striven to give you a record of the happenings of this year. The staff hopes you will enjoy this edition as much as you have enjoyed the past issues. So, Hats Off to the Manhigan of 1951!

HATS OFF TO . . . OUR ADMINISTRATORS

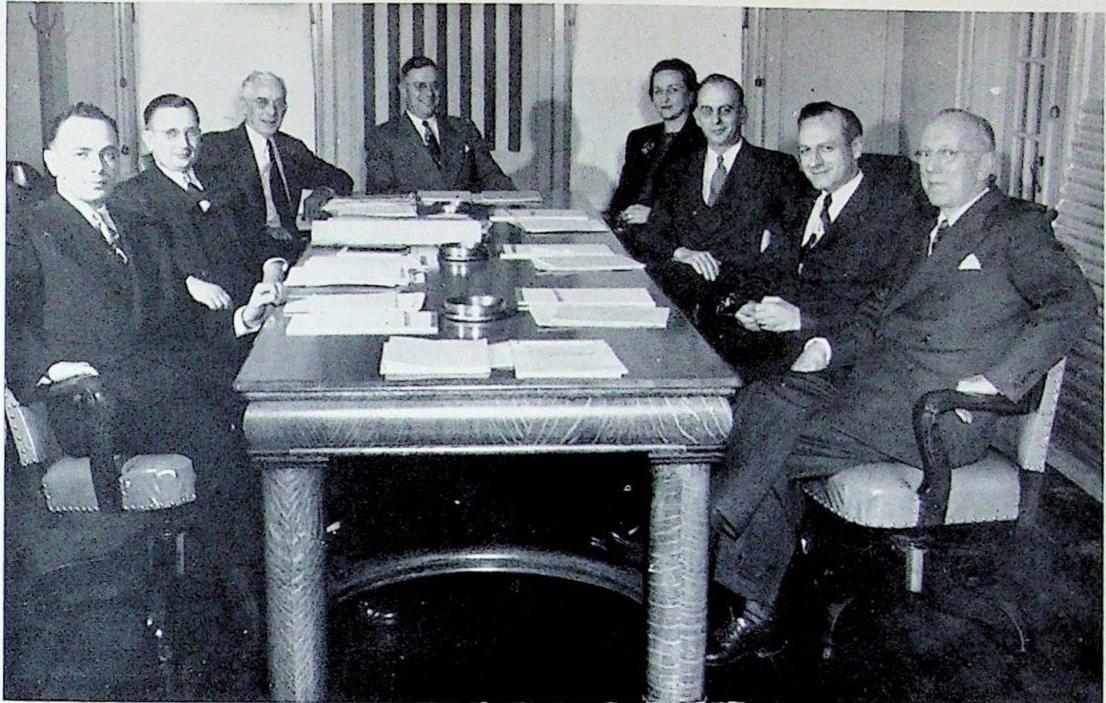

SUPERINTENDENT OF SCHOOLS

Superintendent W. L. Miller has effected a great deal of progress in the Mansfield school system since he has been here with us.

Mr. Miller has shown a keen interest in the welfare of the students and has striven for advancements in Mansfield schools and community.

Situated on the corner of Marion Avenue and Carpenter Road, this building was purchased last year by the Board of Education for its headquarters.

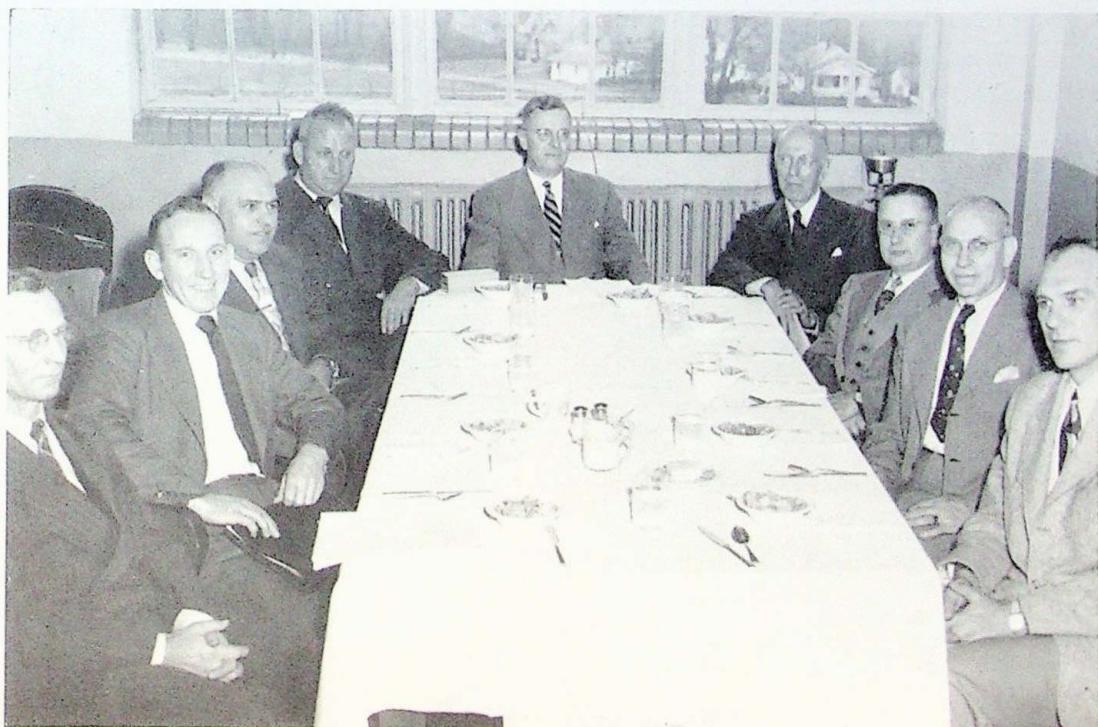

Board of Education

The Board of Education, chosen periodically by the citizens of Mansfield, has the job of selecting worthy teachers and determining the policies of the school administration.

Athletic Board

Meeting once a month, the Athletic Board makes its duty to approve schedules and budgets for the various athletic departments of this school. It also administrates all business relevant to school athletics, both here and in the community.

It is comprised of the directors of athletics, the President of the Board of Education, Superintendent of Schools, the Business Manager of the schools, the high school treasurer, Faculty Manager of Athletics and the Principal and Coaches of the major athletics.

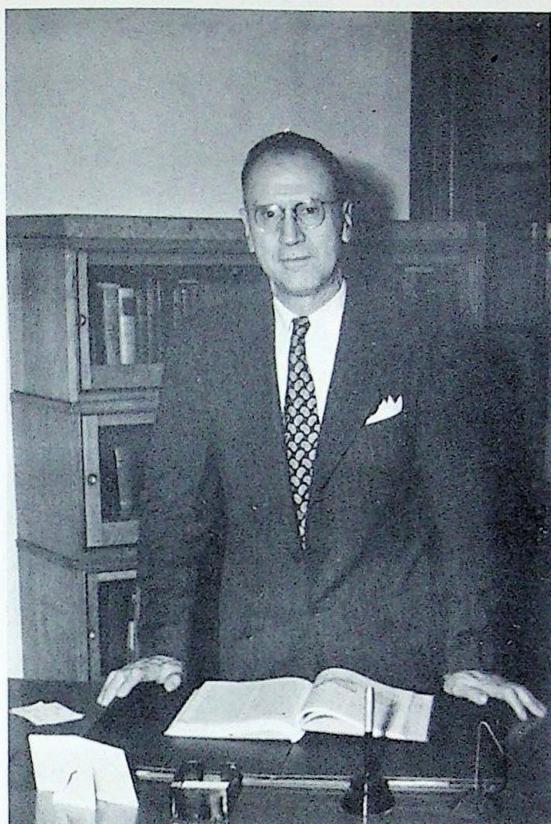

Mr. Glenn G. Rohleder
Principal

The most exhausting and time consuming job at M. H. S. is that of principal which Mr. Glenn G. Rohleder has ably filled for 10 years. Being responsible for many of the improvements here, he has made M.H.S. a much more friendly place for new students to enter. Mr. Rohleder can be found at any time during the day at his desk in the main office or consulting teachers on future plans for the school. We take our hats off to you Mr. Rohleder for raising our school so high in the state standings.

Mrs. Sara Bowles
Secretary to the principal

DEANS

HERMAN D. BISHOP

Assistant Principal

One of the busiest men to be found around M. H. S. is Mr. Herman Bishop, assistant principal and Dean of Men. Not only does Mr. Bishop very capably carry out his administrative duties but he also finds time to teach classes of social studies. Any boy with a problem is always sure of finding a willing and understanding listener in Mr. Bishop.

PEARL DANBACK

Dean of Girls

Occupying one of the highest positions in the administrative staff as Dean of Women, is Miss Pearl Danback. Not only does she give much of her time to this but she also supervises the Attendance Office. Besides this, she teaches plane geometry. We take our hats off to you, Miss Danback, for the marvelous work you are doing!

Class History

Climbing aboard the space ship "Education" in September 1939, 588 small students commenced on their long journey toward their goal—graduation. The ship stopped first at the elementary planets of Western, Hedges, Brinkerhoff, etc., leaving various numbers of students at each stop.

After six long years of pigtails, marbles, and the 3 R's, 562 remaining scholars again embarked and after a 3 months' journey landed on 2 larger planets—Simpson and Appleseed—for a 3 years' stay. As time went on, school activities and broadened interests began to occupy these students' lives. As the final year approached, Harold Restelli was chosen to lead the group at Simpson with Ed Miller as Vice-President and Sandra Stutz as secretary-treasurer. At Appleseed Bill Reale was elected President; John Sawyer, Vice-President; Lois Reichert, secretary; and Jay Herbert, Treasurer.

As rivalry grew up between these two planets, football and basketball teams were organized. After a season of providing stiff competition for various other planets these two teams clashed, the results giving Simpson the title of Junior Championship for both sports. The 2 queens chosen to reign over the football game were Carol Johns for Appleseed and Sandra Stutz for Simpson.

Under the leadership of Mary Bogner and Jack Peirce as editors, the "Appleseed Press" was issued, and the "Simpson Times" went to press under the direction of John Damron with John Fighter as assistant editor.

As the 3rd year drew to a close, 480 students, 272 from Simpson and 208 from Appleseed, once again boarded the ship "Education" for their new destination—the planet of Mansfield Senior High.

For their first year this newly formed group elected Phil Casto, John Fighter, Helen Stacey and Evelyn Schroeder as their officers. Realizing the importance of starting early in preparation for their senior year, this class launched their successful project of selling tickets to the stage shows entitled "The Best is yet to Come."

As the second year approached, Bill Reale, Bill Cline, Sandra Stutz, and Mary Ann Taylor were chosen

to head the class for the ensuing year. During this year five junior girls received the honor of reigning over the homecoming football game. These were Sandra Stutz as queen and Janet Widders, Chloe Snyder, Merideth Nail and Pat Sharrock as her court.

As a climax to their high school career this class of 1951 started their senior year with the election of four able and competent officers, these being Don Hart, President; George Dawkins, Vice President; Carol Blust, Secretary; and Fred Pryor, Treasurer. Mr. and Mrs. Carl Thomas took over the arduous task of class advisors.

Mary Ann Taylor and John Fighter were appointed co-editors for the "Hypho".

During the football season such seniors as Maurer, Lee, Jordan, Kent, Todd, and Lindsay took the spotlight.

During the Christmas season, greeting cards were sold and the annual Christmas sing was held in Central Park under the direction of the carolers.

On February 17th the talent-filled "Varsity Varieties" was given for the 2nd annual time at the Mansfield High School auditorium.

Along with the Easter activities the Sunrise Service was sponsored by the senior class at the First Presbyterian Church.

A new feature was begun in order to honor the successful basketball team which took both sectional and district crowns. This was the "Basketball Bounce." This dance gave recognition to such outstanding athletes as Guy, Hammer, Hager, and many others, but especially to Ken McCally, who for the second straight year was chosen as the most outstanding Scholastic Basketball player in the State.

As the year drew to a close many activities filled the seniors' time. Prom committees were chosen and the cast announced for the Class Play.

After successfully completing Baccalaureate, Class Day, and an all-night prom, this enthusiastic class, consisting of 342 students, on the evening of June 7, 1951, again boarded their space ship "Education" and took off for the planet "Beyond Tomorrow."

Junior Class

Year by year the members of the class of '52 progressed along the road of education, until they finally reached Senior High School. Here in the fall of 1949 the two junior highs joined together to form the sophomore class.

Neil Roller was elected to head the class, and he was assisted by Lowell Hess as Vice-President; Janice Smith as secretary; and Harlan Burns as treasurer. Miss Eva McCurdy, class advisor, got the '52 ers off to a good start by aiding them with their Circus Dance, which was held in the spring. In September of 1950, these people advanced another mile in education. They were now Juniors. Elections were held and Neil Roller was again elected to the office of President. The ballots also put into office: Lowell Hess, Vice-President; Nancy Ward, secretary; and Harlan Burns, treasurer. During the football season the Junior Class sponsored the Home-Coming assembly and dance. When basketball season rolled around, they sponsored several after game dances. As a project to gain more money for their graduation, the class began selling pep shirts on the front of which were tyger emblems.

In anticipation of the senior year the class ring was determined and other senior projects were discussed and planned.

The officers under the guidance of Mrs. Mildred Hoffman, class advisor, sponsored the first basketball album in Senior High. The album consisted of pictures of the players, and squads. ... TO THE MARCHING BAND

Marching Band

During the summer months while the M. H. S. students were enjoying their vacation, the Tyger band members met twice a week for drills in preparation for the football season. The months of rehearsal made possible the snappy half-time shows which the band presented during the football games. In addition to the games, the band marched for various civic parades and helped to make all the pep rallies spirited affairs. The band this year was under the direction of Ted Tatgenhorst who came to Mansfield from Bexley, Ohio to replace J. Merton Holcombe.

The M. H. S. Tyger Band was led this year by the high-stepping Tygerettes whose flashy white uniforms and glimmering batons signaled the beginning of each performance. These girls were chosen from a large group of candidates after intensive try-outs.

Concert Band

The Concert Band was organized at the end of the football season to provide band members with a chance to play more difficult and advanced music. Spirit and enthusiasm for chairs in the different sections was made very keen through try-outs and challenges during Monday and Thursday morning rehearsals. In addition to their annual spring concert, the Concert Band gave several other concerts for different organizations in the community.

String Ensemble

The String Ensemble, a new group in the instrumental music department, was organized to provide a small ensemble which civic groups could use for entertainment on their programs.

STAGE CREW—Ben Gray, Duane McIntire, Jim Shambaugh, Dick Widders.

• • • Varsity Varieties

On February 26th, before a packed house, Varsity Varieties of 1951 presented itself as one of the top theatrical shows and outstanding Senior Class achievements of the school year. The show was carried along magnificently by the emceeing of Jay "Stooge" Herbert. As was the case last year, the senior class sponsored V. V. About a month after the beginning of school, committees began working on the show. It was truthfully said no one performance could be picked as the outstanding one. The show was well sprinkled with experienced talent such as the rhythmic duo, Creators and Gentile, Diana Hoffman, the Barbershop quartet, Herbert, and last, but one of the best, Diana Hale. Adding spice to the show were the newcomers such as the crowd pleasing Dawkin's Brothers, with their comedy mind reading, and that bright spot of the show, the Charleston, not forgetting Tom Ward who was magnificent with the accordian.

I'm sure everyone will remember Dancing in the Dark, the masterpiece of the show, as will they Barbara Scott and the Swan, Stacey and Baker, the hillbillies, Bob Conte and Passionata, King and Williams and their tap routine, that blues girl, Donna Grace, and the Varsity Bouncers. But wait we've forgotten somebody, Hart and Blust, as if anybody could forget them, the two piano team of whom even Fred Waring would be proud.

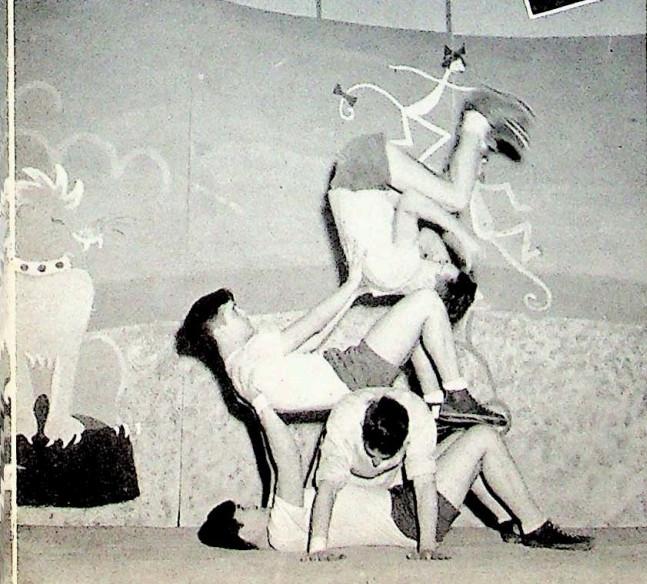

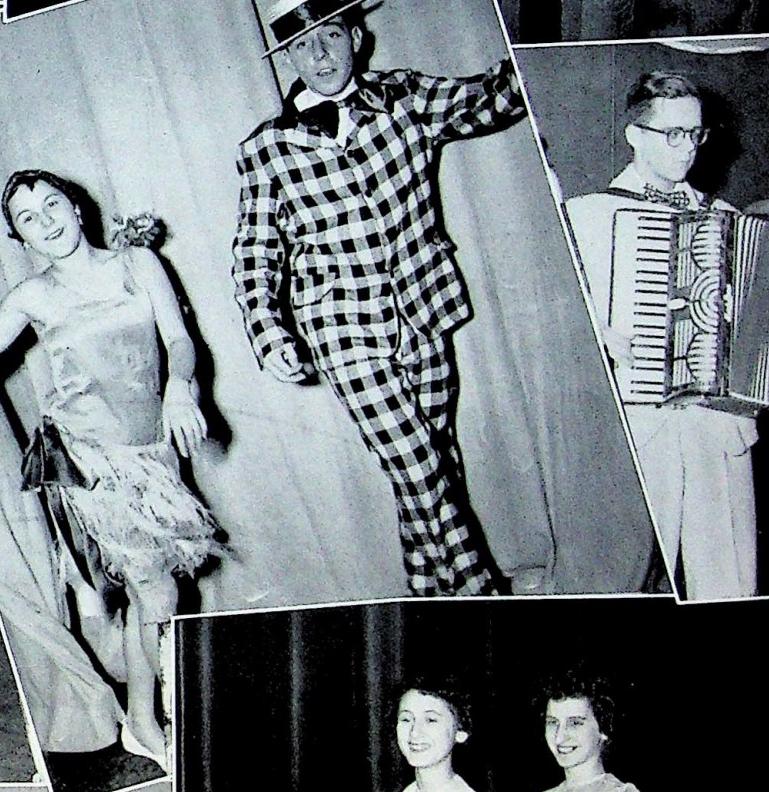

As we look back over everything, we see some additional things were added to this year's show, the souvenir program, and the Varsity Varieties Song, words by Paul W. Endriss, and music by Don Hart.

All in all it was tops in entertainment and the Manhigan lifts its hat to Varsity Varieties of 1951.

"The deadlines must be met." These were the words of Jack Peirce, editor of the 1951 Manhigan.

Not long after school started, members of the year book staff were given their assignments for the 1951 issue. Each one began his designated work for the year. Nancy Cizek was set to work immediately typing the necessary articles. Bob Hempfield, boys' sports editor, and JoAnne Peppard, girls' sports editor, began plotting their pages in order to fit in all the pictures of the various organizations.

We should definitely tip our hats to the hardworking business staff. Headed by Jack Welsh, these staff members are responsible for the ads and funds of the Manhigan. Jack can be heard telling his assistants, John Fox and Millard Pryor, to get those ads in or else.

During football season assistant editor, Bud Sorenson, takes over Jack Peirce's duties. He could be heard explaining to feature editor, Fred Pryor, that he should start planning his pages.

Just a glance at some of the pages of the Manhigan will show the work of the art editor, Chloe Snyder.

While a peep at the senior section will make any senior proud of the work of Senior editor, JoAnne Bruce.

The underclassmen, also, have done their share of the work, under the guidance of Mr. Loesch.

All in all Mansfield Senior High School can doff its hat to the Manhigan and the Manhigan Staff of 1951.

Hyphonerian

The "Hyphonerian", better known as the "Hypho", comes out every third Friday through the school year. The paper keeps us students posted on events and keeps us laughing with the lighter side of education. This news is gathered, edited, and written up by student reporters. Through the hard work of these students and their able advisors, Mr. Ramsey and Miss Patterson, the "Hyphonerian" has been very interesting and an outstanding feature this year.

Future Retailers

The Future Retailers of Mansfield Senior High have again completed a successful year. The students of this class are taught the fundamentals of good salesmanship in the classes which they attend in the morning. In the afternoon, these fundamentals of salesmanship are applied while students work directly with the retailers.

The class members have participated in various activities throughout the year. The annual dance, the Co-Op Hop, was held January 5. The entire class attended the regional convention in Columbus on November 9, and two delegates, Bessie Vangeloff and JoAnn McNew, represented the class at the state convention held in Columbus March 31, and April 1.

The social events of the year were climaxed by the employer-employee banquet held at the Richland Recreation on April 26.

To finance the year's activities the class has sold football programs and various other items in addition to collecting dues from each of the class members.

... TO ALL OUR CLUBS, LARGE AND SMALL

Senior Hi-Y

The boys of the Senior Hi-Y have centered their plans on making the most of their last year in high school. They elected as their president, John Damron; as Vice President, Jim Endriss. To keep the money affairs straight they elected Jack Welsh, treasurer; and to fill the office of secretary, Bud Dent. Among some of the activities are hayrides, talks on dating, debates, and community projects.

Junior Hi-Y

Every Monday evening at 7:00 a group of energetic Junior boys meet at the Y. M. C. A. These are the members of the active Junior Hi-Y. Their main object has been to secure funds for a trip to be taken in their Senior year. The organization has sponsored several hayrides, and its officers are: Eldon Lawn, president; and Ray Gerrell, treasurer, served as induction team for all Hi-Y's in the immediate Mansfield area.

Sophomore Hi-Y

Quintres or Sophomore Hi-Y club, have visited several industries and also are sending representatives to National Hi-Y Conference and camp. The officers are Courtney Bourns, President; Art Lomax, Vice President; Ben Gray, Secretary; and Bob Wixon, Treasurer. Mr. Bishop is the advisor of the club.

JUNIOR HI-Y

SOPHOMORE HI-Y

Y-TEENS

The Y-Teen, an organization of the Y. W. C. A., was formed to establish good will and fellowship among all teenage girls. Each year they enter wholeheartedly into the Xmas spirit by sending Xmas baskets to the needy.

The Senior Y-Teen, under the leadership of Carolyn Bemiller, meet every Monday night. One of the outstanding events and one that all the girls look forward to is the spring formal.

One of the main projects of the Junior Y-Teen this

year was a Xmas party for the Children at the Home. This group, headed by Gracia Derr, meets the same night as the seniors.

Though they are the youngest, the sophomore Y-Teen has done their job as well as the older group. This group meets every Wednesday afternoon. Their projects for the year included making spool dolls for the nursery and candy for the old peoples' home. During the year they held a variety of parties. One of these was a slumber party held in January.

Hy-Fun Council

The 1950-51 Hy-Fun Council had a very successful year in promoting entertainment for the student body of M. H. S. Every Monday night the Hy-Fun club sponsored a dance. And on certain nights they scheduled special attractions like: the Sweet Heart Swing, the Valentine Dance, Square dancing, and spot light performances. These and many others highlighted this year's Hy-Fun Club.

Hi-Y Council

The Hi-Y Council under the leadership of Eldon Lown helps co-ordinate the activities of the three clubs. The officers from all the clubs belong to the council and work together with Eldon to make the clubs more successful.

Science Club

In any of the varied meetings of the Science Club held during the past year, you would see forty to fifty students combining the learning of new knowledge of science and nature with companionship and fun. This group, headed by Phip Casto, its president, with Mrs. Harris and Mr. Vanderbilt advisors, has not only sponsored parties and a pep assembly but has held monthly demonstrations. These include electroplating, chemical magic, enameling, and other varied sciences.

Library Staff

The Library Staff, under the supervision of Miss Culbertson, aids in checking books in and out and helps to secure the necessary reading material for students.

Attendance Office

The girls in the attendance office assist Miss Danback in checking absences of students. They also run errands, file cards, and write passes for students.

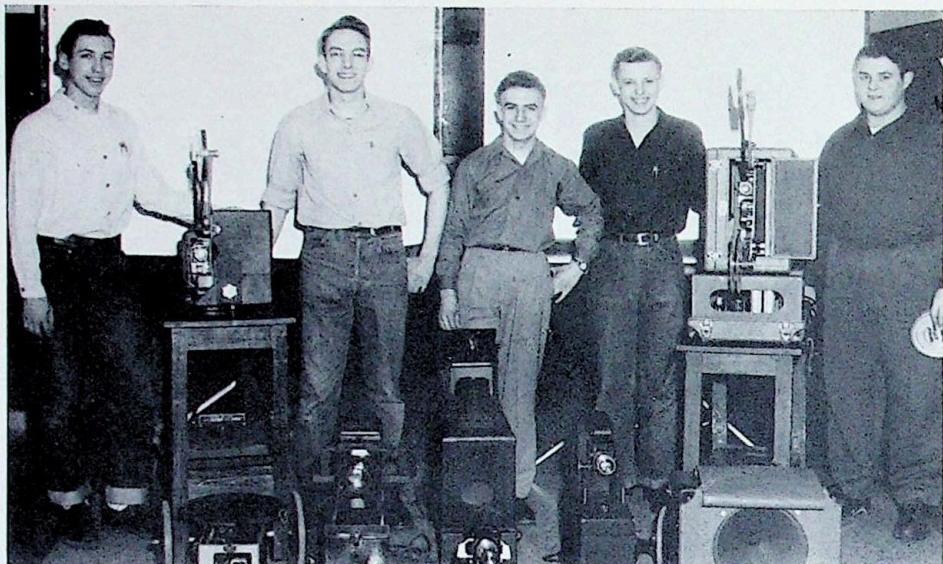

Christmas Basket Committee

"Merry Christmas" is the sincere wish that is packed into each basket along with all kinds of food, toys, and clothing. During this holiday season, the students contribute brightly wrapped foods to their home room baskets. Under the capable direction of Mrs. Whiting, this committee puts on the finishing touches and directs the distribution of this welcome project to Mansfield's needy families.

Boys' State

Our delegation to the 1950 Buckeye Boys' State was probably the most successful group ever sent from M. H. S. From this group of eight, five were elected to high state offices. Jack Welsh and John Fighter were chosen Supreme court justices, Ralph Sorenson, Attorney General, Don Hart, State Treasurer, and Phil Casto, Secretary of State. Phil was also chosen the most outstanding state official, the highest honor that can be bestowed on any one person attending Boys' State. Phil also represented Boys' State at a visit to the 1950 Girls' State. Mansfield was truly the best represented city at the 1950 edition of Buckeye Boys' State.

Visual Education

Under the capable direction of Mr. Elder, the boys of the Visual Education Club show moving pictures which are not only educational but also add variety to class room work. These boys, although little known, do a great job of helping the teachers of M. H. S. make the subjects interesting.

S. O. P. C.

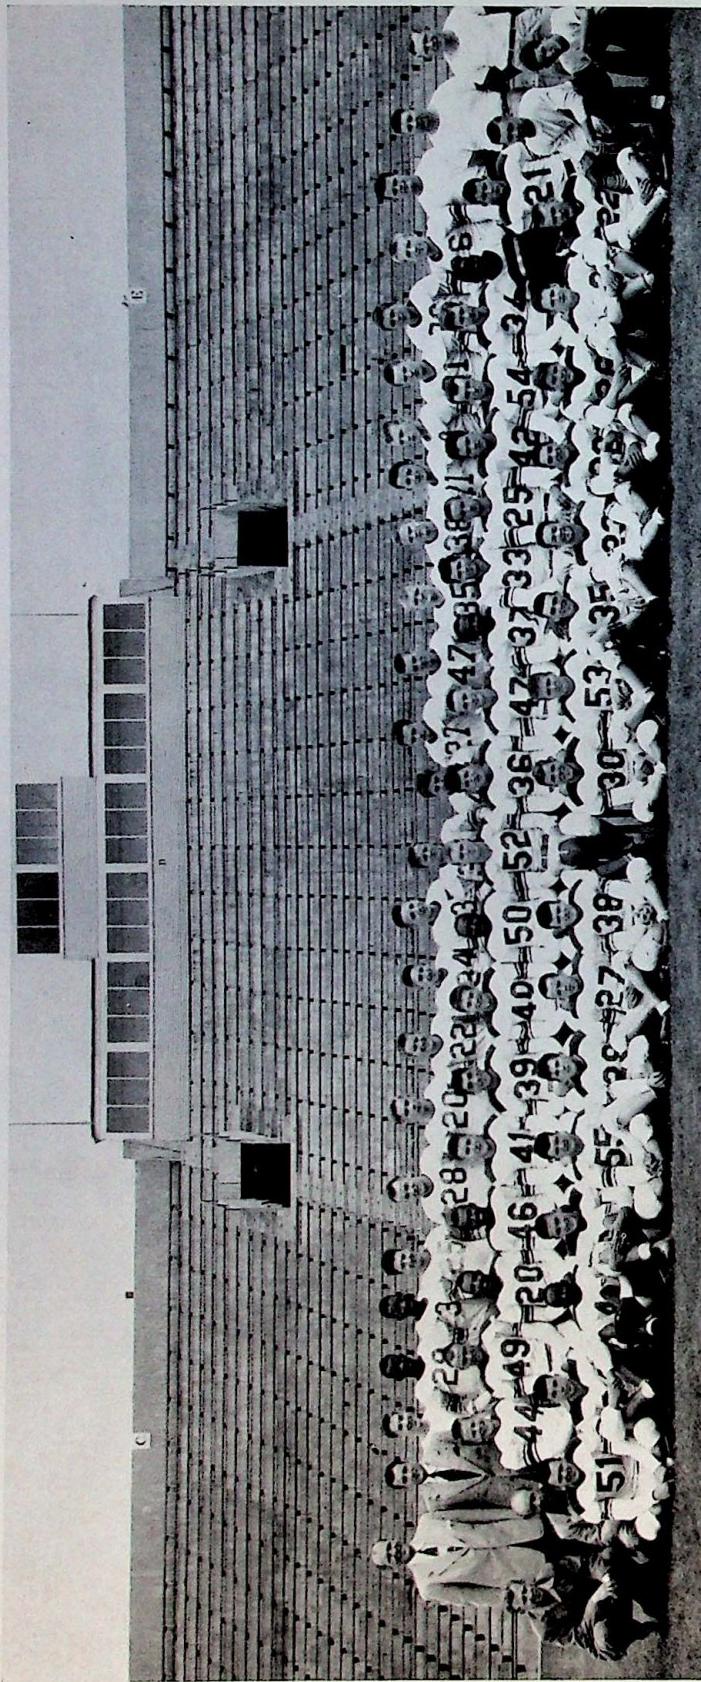

The S. O. P. C. organization, which stands for Society of Prospective Collegians, meets every first Tuesday of every month. Different speakers are asked to come to the meetings and discuss certain colleges. Miss Bolus is advisor of the S. O. P. C.

Mansfield Avengers Akron South

Atoning for their only setback of the 1949 season, the Tygers squeezed out a one point upset over a strong Akron eleven. But that narrow margin doesn't tell the story as the inexperienced Tygers unfurled a devastating ground attack and had 3 times as many first downs. The scoring for Mansfield was well scattered as 5 different Tygers scored points.

Mansfield Takes Cleveland East

After a slow start the Tygers took advantage of the breaks, with a touchdown in each of the last 3 quarters to win. Playing on a muddy field, both sides experienced an attack of fumbil-itis. Three times Mansfield fumbled within East's 10 yard line. Mansfield completed its first pass of the season—a 10 yard pass from Mathews to Dave Guy. John Auer and Esker Jordan scored the other and Stauffer converted for the extra point. Mansfield rolled up 3 yards to every 1 for East.

The football managers were part of the backbone of the football team. They worked as hard on the side lines and at practice as the team on the field. They were as much on the team as a player, and when a touchdown was made the football managers felt they helped to make the touchdown. It wasn't an easy job, and they had to abide by the training rules just like the team. They were never known to shirk their job in the slightest. The boys are Senior Manager Phil Casto, Paul Kindinger, John Robbins, Don Schumaker.

Alliance Overpowers Mansfield

Zoom! The Alliance aviators flew away with Mansfield's proud 10 game winning streak. They scored two touchdowns even before the fans got to their seats. Mansfield's lone score came late in the game on a Corbett to Todd pass. The powerful Mansfield running attack was held to 57 yards. The Aviators were just too powerful for the inexperienced Tygers as they outgained them 5 to 1. This was the first loss of the OSC since it was started.

Warren Takes Mansfield 19-6

On its first road game of the year Mansfield tasted defeat at the hands of a big Warren Harding Panther team. The Tygers could never get started against the gigantic line, so they took to the air lanes, but this wasn't much more successful as the Tygers completed 3 out of 23 passes. However, a beautiful 45 yard pass from Carbetta to Joe Lee gave Mansfield its only touchdown of the game.

TYGERS DEFEAT FINDLAY

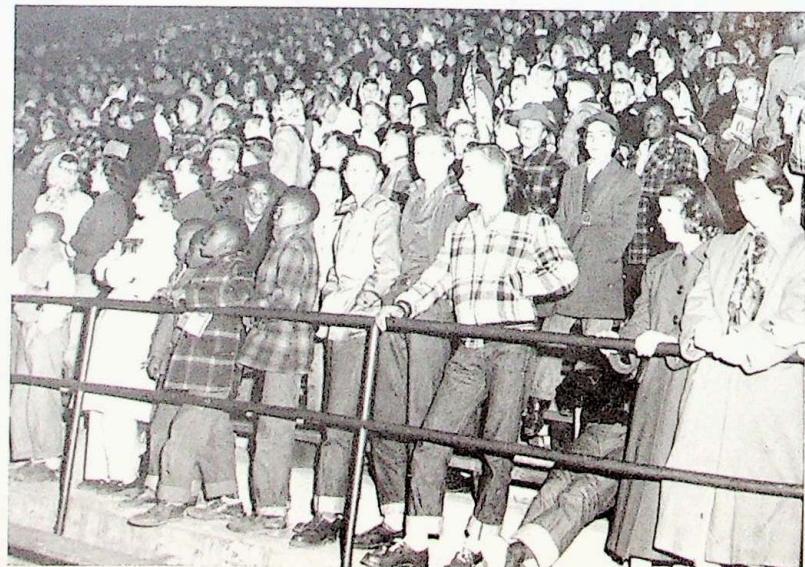

The Mansfield Tygers wrapped up its home season at Arlin field by defeating the high-ranking Findlay Trojans, 21 to 7, before 9,000 homecoming fans. Only four of the 18 passes thrown by three Tyger backs were completed but two of them went for touchdowns. Benny Carabetta pitched 53 yards to Joe Lee for the first half score and Don Pesano tossed a 43 yarder to Lee for the final tally. Lefty Johnny Auer picked up the other touchdown on a 15 yard jaunt around end. Bob Stauffer, husky junior guard, booted all three of the Mansfield extra points. Findlay had been ranked as Ohio's 14th team prior to the contest which was played in intermittent rain.

Norm Yarger

MUTE STARS FOR CANTON

Stocky Lou Mariano's 75-yard touchdown trek early in the first quarter stamped the Canton McKinley Bulldogs to a 19 to 0 triumph over the Mansfield Tyger footballers. Displaying none of the scoring power they had shown in other 1950 conflicts, the Senior High Tygers failed to dent the goal line for the first time since the final game of 1947 season when they bowed to Martins Ferry, 12 to 0. Only in the first half did the Bengals show any ability to gain ground and then a fumble stopped the only thrust, after reaching the 31-yard line. That was the deepest Mansfield penetration.

MANSFIELD MAULS

MARION 27-7

Hats off to the Tygers for one of their best games of the season. The Bengals were really clicking against Marion in their fifth game of the season. Jim Dawkins took the spotlight for the Tygers making a total of 18 points. With John Todd out, and Johnny Auer setting the pace on the ground, the Tygers rolled to victory. Big Esker Jordan plowed over center for the other TD. Bob Stauffer, a husky junior guard, booted three points from placement.

MASSILLON RIPS MANSFIELD 56-6

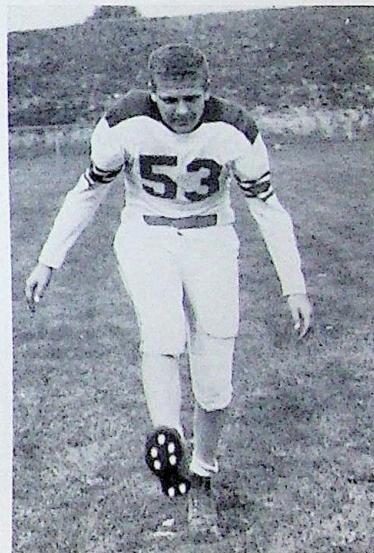

It seemed all the breaks were bad for the Tyger. At the half Mansfield trailed only 21 to 6, and was still very much in the game. Early in the second half, things went sour. Johnny Auer, a 170 pound ball of fire, made a beautiful straight-away run for 94 yards, but was called back because of offsides. Coach Mather praised Lindsay who he said was a constant threat in the Massillon backfield. John Todd was the best of the Mansfield backs with 33 yards.

Bengals Lose to Toledo

Playing in a driving snow the Toledo Waite Indians pounded the Mansfield Tygers with 26 first half points to break the Tyger spirits and keep them from scoring in the first half. However the Mansfield team played an entirely different game the second half by holding the Waite team scoreless and scoring 7 points themselves. The Tygers began several drives but were stalled each time until midway in the fourth quarter. Dave Guy recovered a fumble on the seven and on the next play went into the end zone to take a touchdown pass from Quarterback Benny Carbetta. Bob Stauffer converted the extra point and the final score was Toledo, 26 and Mansfield, 7.

Fights Mar Game, As Tygers Lose 38 to 7

In the final game of the year players from Mansfield Senior high and Springfield Public mixed football and fistfights before 7,500 shivering fans. Springfield won the scheduled football game by a 38 to 7 score but lost out on the impromptu slugging matches which dotted the gridiron at odd moments. Eight players — five from Springfield and three from Mansfield — were banished for unsportsmanlike conduct. Springfield scored two touchdowns in every quarter except the third. Mansfield's lone counter came on the final play of the first half as Johnny Auer southpawed a pass to End Dave Guy in the end zone.

Homecoming Queen

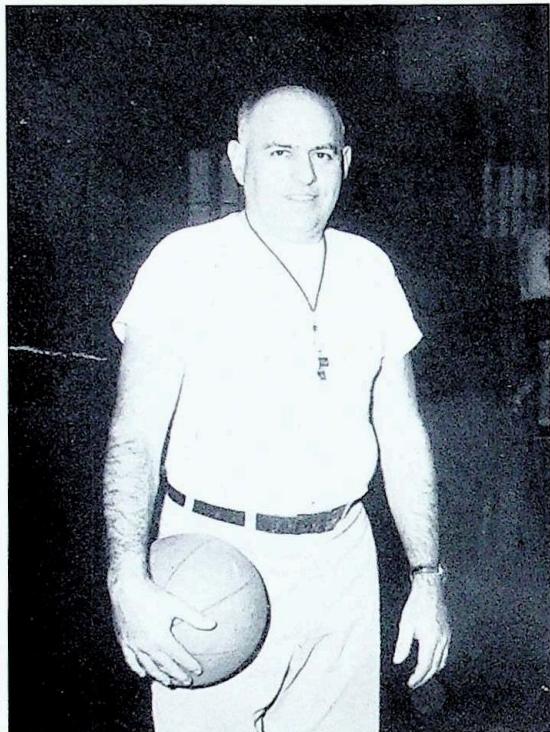

Miss Shirley Yoakum

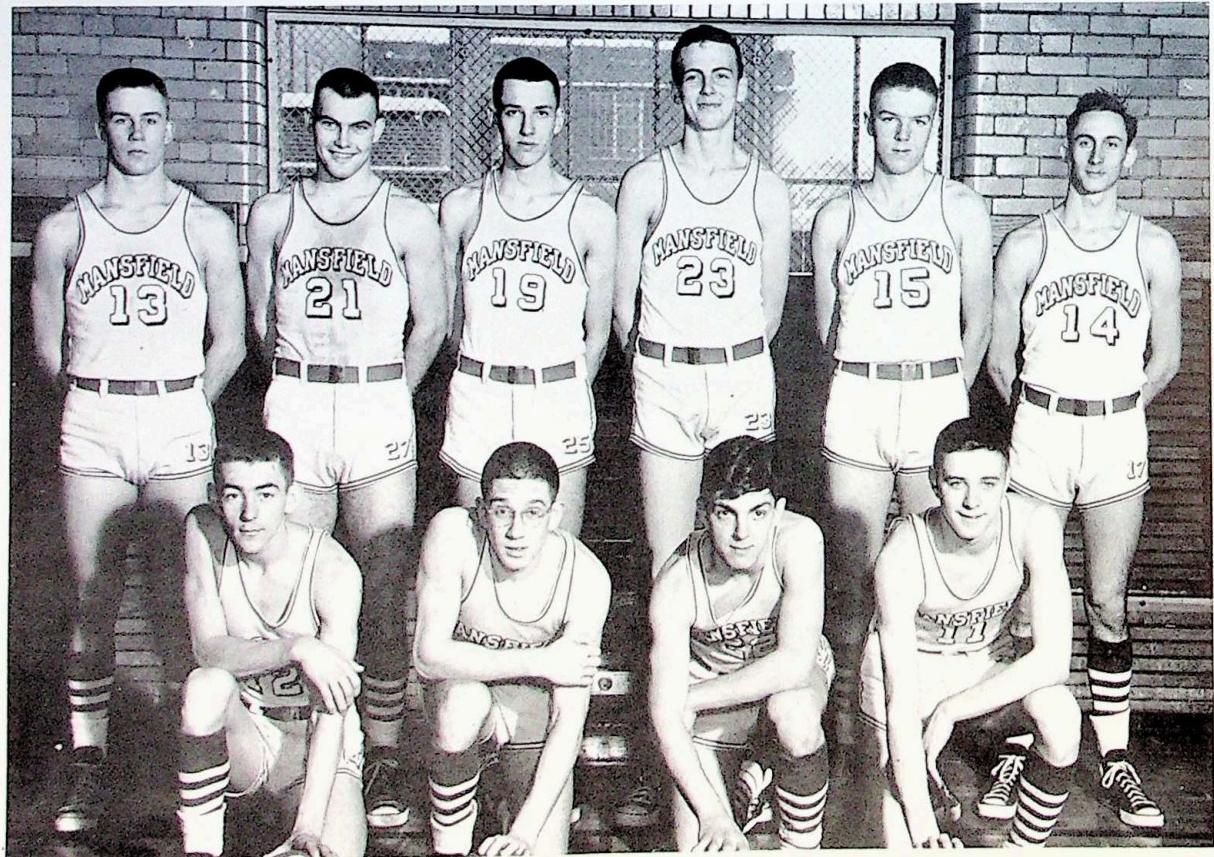

Chosen by a vote of the student body, Queen Shirley represented our school at the Annual Homecoming game with a dignity and charm that will make alumni and students remember her as a fitting example of the ideal queen. Shirley was crowned by Sandra Stutz, retiring queen, amid the beauty of her court the morning preceding the game. The coronation assembly, bearing the theme, 'Dream Girl', was sponsored by the Junior Class.

BASKETBALL

Everyone knows the man at the right if you've seen any of the basketball games. He is a well known figure to all at Senior High. We have seen him quite disturbed when the game is drawing to a close and the Tygers are a few points behind. We have also seen him at his height of glory, riding on the shoulders of his victorious team after the Ashland game. Our own Coach Vern Hoffman. He gave everything he had to his team and I know he had one hundred per cent cooperation. The Coach had some great players this year, and under his guidance they ranked with the best! With such players as Ken McCally, a two year holder of the All Ohio title. Big 6 ft. 6 in. Bob Kinney really learned how to hold on to the ball. The little but mighty Cliff Hammer who seemed to have the ball most of the time played a remarkable season. Dave Guy, Jim Hager, and Bill Reale made a wonderful showing of team work and accuracy in their final year. Hats off to the 1950-51 Tyger Basketball team and our wonderful Coach Vern Hoffman.

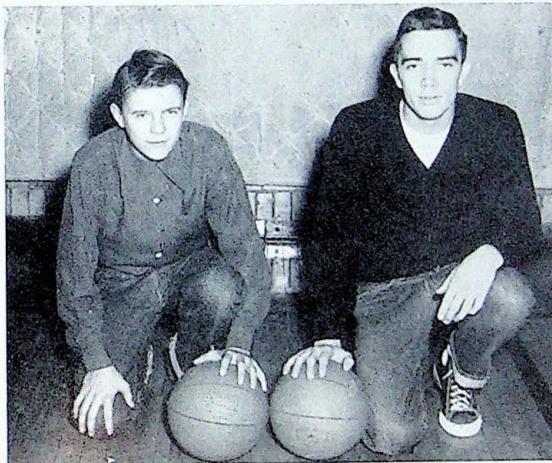

"Coach" Vern Hoffman

BASKETBALL COACHES—Bill Peterson, Mike Bylene.

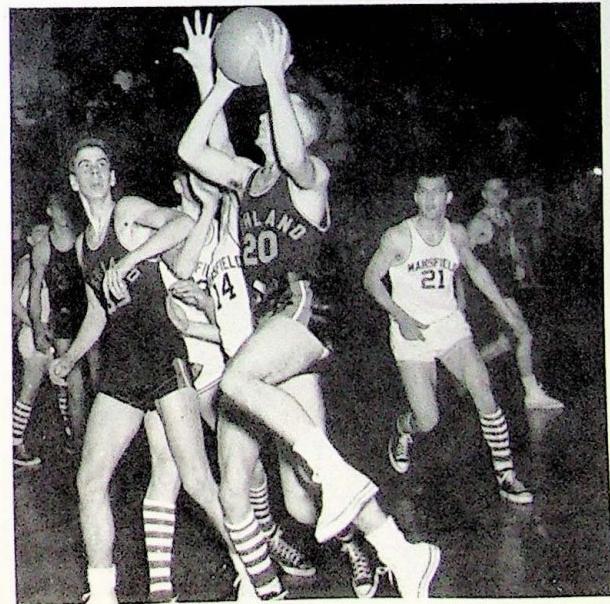

BASKETBALL MANAGERS—Art Lomax, Roger Fenneman.

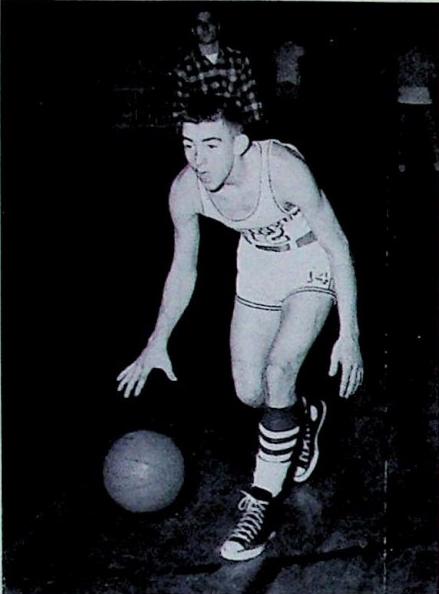

Coaching a basketball team is pretty hard for one man, but three got along fine. Bill Peterson, at the left, and Mike Bylene, right, helped to keep the Tygers rolling. Bill and Mike took a big load off Vern Hoffman's shoulders by helping him make one of the best teams in the state. Bill Peterson also coaches the Reserve squad which only lost one game the entire season.

Because of early dead lines we were unable to take pictures of the baseball team.

But this promises to be a good year for the baseball team, with some of the old veterans back from last year. The old stand by all Ohio Ken McCally will be out to make this his best year in baseball. Under the coaching of Mike Bylene will make an unbeatable combination. The following boys are going to make this a championship season.

Catchers: McCally, Eberhart, Murray, Dove.

Harry Mehock, the coach of the Senior High track team and manager Phil Casto, are looking over a stop watch timing of a relay. Coach Mehock has headed the track team for a good many years and he doesn't believe in stopping practice even when there is snow on the ground. All winter the track boys would run from the school to the North Lake Park Coliseum if the snow was an inch or one foot. They practice in the coliseum until it becomes warm enough to run outside.

GIRLS' SPORTS

MISS JANET GOCHENAUR

The hard-working director of Girl's Physical Education is Miss Janet Gochenaur. A native of Milwaukee, Wisconsin, she graduated from the teacher's college in Milwaukee. Before coming to Mansfield Senior she taught at Wausau, Wisconsin, served as a weather forecaster in the U. S. Marine Corps, and attended Ohio State to obtain her master's degree. Although she enjoys all sports, skiing, swimming, and sailing are her favorites.

Our amiable assistant Physical Education director is Mrs. Robert Martin. A native of MacArthur, Ohio, she obtained her degree at Ohio University. She taught at Lemon Monroe before taking her present position. Although this is Mrs. Martin's first year at M. H. S., she has stimulated a great deal of interest into the girl's physical ed program. She likes all sports and participates actively in a number of them.

All M. H. S. girls who enjoy sports are usually members of G. A. A. One hundred points, gained by participating in tournaments, hiking, skating, and various other sports activities, are the requirements for membership in this organization. Highlights of the G. A. A. year are the banquet in the fall, and the picnic in the spring, and the various tournaments in each sport of the girl's athletic program. Awards are presented to the girls who earn points in the G. A. A. point system.

The Leader's club provides experienced officials for gym classes in the girl's athletic program. Their monthly meetings are used to discuss rules of the various sports and how to assist the instructor in the gym classes.

The team captains are a new group in the girl's athletic program. By scoring in tournaments and being captains of the teams in the tournaments, they are gaining experience to become leaders next year.

Miss Gochenaur Briefs The Team Captains

VARSITY VOLLEYBALL

Tryouts for the volleyball varsity were held in early October, and then these eager girls attended early morning practices for a number of weeks. After a number of practices, they played several games with schools in the surrounding area. They were coached by Mrs. Mary Martin.

SOPHOMORE VARSITY

The sophomore varsity, directed by Miss Gochenaur, is composed of girls who are hopefules for next year's senior varsity. They played the reserve teams of several of the neighboring towns.

VARSITY BASKETBALL

The varsity basketball team had one of the most successful seasons of any girl's team for a number of years. Under the tutelage of Mrs. Martin, these girls practiced long and hard during the early morning hours and were rewarded with wins over several near-by towns.

SOPHOMORE VARSITY

The sophomore basketball team was organized under the supervision of Miss Gochenaur in order to supply experienced players for next year's varsity. They played the reserved squads of teams played by the varsity during the season.

VARSITY SOFTBALL

Although they will never be major league stars, these girls enjoy playing softball on the senior varsity. Teams from neighboring towns provided opposition for these diamond lassies.

SOPHOMORE VARSITY

Hoping for a chance to play varsity softball next year, these sophomore aspirants make up the reserve team. They play the sophomore teams of schools on the varsity schedule.

Concession Stands

Every year at the basketball games there are concession stands which serve you any sort of knick-knack you want. These stands are run by the G. A. A. of Mansfield Senior under the direction of Miss Janet Gochenour and Mrs. Mary Martin. The service of the girls is voluntary but extra points are earned in G. A. A. for this.

Sportshead

This year a group of girls branched off the Leaders Club to form the office of Sportshead. This office includes four girls who take charge of the different activities of G. A. A. This includes soccer, volleyball, basketball, and softball. They are selected by the girls of G. A. A. It is the sportshead job to line up the teams and see that everything runs on schedule.

Lifeguards

This year a newly organized group appeared in the girls athletic department at Mansfield High. Organized by Miss Janet Gochenour, this group of girls watch over the weekly swim time sponsored by the G. A. A. Extra points in G. A. A. are earned for this. These girls report in at the Swimming Pool every Wednesday night.

INTRAMURAL CHAMPS

VOLLEYBALL CHAMPS

On certain weekday mornings at 7:00 girls participate in volleyball games. These girls earn G. A. A. points. The girls are divided off into 2 leagues consisting of 6 teams each. The winner of both leagues play each other for the honor of volleyball champ. The winners receive gold medals. Even though the early hours may scare you, it's all in fun.

BOWLING CHAMPS

Weekday evenings after school the Colony Bowling Alley is the scene of girls participating in the G. A. A. bowling intramurals. You don't need to know how to bowl, score or anything. You learn while you participate. The team having the highest average at the end of the tournament receive gold medals.

SOCER CHAMPIONS

Every year on certain weekdays after school soccer games are held. They are under the direction of Miss Janet Gochenaur, and Mrs. Mary Martin and the soccer sportshead. G. A. A. points are given for this activity. At the end of the game the members undefeated team are given the name of soccer champs and a gold medal. It's a lot of fun even though you might get a few scars and bumps.
